

Revocation and/or Removal of Continuing Education (CE)

Accredited Course Providers (ACP)

Revocation

ACPs who fail to comply with the Insurance Council of Manitoba's (ICM) CE requirements, including response to inquiries by the ICM, will have their ACP status revoked and will no longer be allowed to present themselves as a CE course provider in Manitoba.

Removal

ACPs who request their status to be inactivated will be removed as a CE course provider in Manitoba. Future ACP reinstatement may be granted following the submission of the ACP application and \$200 ACP fee.

**The following listing provides the last 5 years of ACP revocations and/or removals in date order.*
