Your Insurance Agent Licence(s) [***Insert Licence Number(s) of specific agent***] expired on May 31, 2019. Your agency or sponsoring insurance company has been notified of the non-renewal of your licence(s).

You are prohibited from transacting any insurance business as of June 1, 2019.

If you wish to reinstate your licence(s), you must complete the applicable application form(s) which is available on the ICM website [here](#). The completed form must be submitted along with authorized signature, reinstatement fee of \$70.00, [annual licence fee](#), copies of your continuing education (CE) credit hours (*not applicable to Hail agents, RIA agents or non-residents residing in a Canadian jurisdiction that has continuing education requirements in the agent's home jurisdiction*) and proof of your Errors & Omissions Insurance for consideration of licensing.

Be advised that submission of an application does not permit you to act as an agent. A licence must be issued and you must receive email confirmation from the ICM of your reinstatement prior to acting as an agent.

Resident agents only (not including RIA or Hail agents): Failure to reinstate your licence within 12 months of expiration will subject you to educational and licensing requalification.
