IMPORTANT NOTES PRIOR TO BEGINNING THE RENEWAL OF YOUR LICENCE

Operating Agent/Designated Representative must renew first:

The licence of the Operating Agent (O/A)/Designated Representative (D/R) of the Agency/Adjusting Firm must be renewed **before** any other licensee in the organization. This allows for the updating of the agency/firm Errors & Omissions Insurance, and ensures there is a licensed person responsible for the management of the agency/firm in place.

If a licensee attempts to renew their licence before their O/A or D/R, they will not be able to do so.

Review the ICM website:

Please review the [Licence Renewal](#) page of the ICM website for answers to your questions **before** contacting the ICM.

We recommend that you review the [Frequently Asked Questions](#) (FAQ's) on the website prior to starting a licence renewal.

Due to the volume of enquiries during renewal, phone calls or emails from licensees with questions that are answered within the User Guides or FAQ's will not be returned.

Click under **“Licences”** and select **“Online Renewal”**

Online Renewal

Online Licence Renewal is now open to all licensees, and closes May 31 for agents and June 30 for adjusters.

We encourage you to review the Licence Renewal page of the ICM website before contacting the ICM with questions. The ICM has developed User Guides to assist with the completion of all items involved in the licence renewal process, and we recommend that you review these along with the Frequently Asked Questions (FAQs) first. Due to the volume of enquiries during renewal, phone calls or emails from licensees with questions that are answered within the User Guides or FAQ's will not be returned.
