Posted July 4/22 (emailed to Hail Insurance Company Primary Authorizers July 4/22)

This email was sent to you as you are an authorized appointee, and the primary contact filed with Council. If you are not the correct individual that should receive this email, kindly forward it to the appropriate authorized appointee and advise the Insurance Council of Manitoba office for future.

The Insurance Council of Manitoba (“ICM”) **Hail Adjuster** licence renewal for the new licence year of 2022/2023 is now complete. Please review the list of licensees on the ICM website under “[Licence Search](#)” for the specific insurance company listed above to ensure all individuals are properly licensed with Council. Any hail adjuster who failed to renew their licence is unlicensed effective July 1, 2022, and may not act as an adjuster. An online reinstatement application is required to be completed by any applicant wishing to be considered for reinstatement (information on how to reinstate a licence is outlined within the [User Guide - to Reinstate a Licence](#)). Notice of completion of the reinstatement will be provided to the adjuster by email. **Any adjuster who has a gap in licensing history must not act within the definition of an adjuster during that unlicensed period.**

As a reminder, you are required to notify the ICM immediately when you no longer sponsor a hail adjuster. All withdrawals of sponsorship must be submitted in writing to the ICM by using the ICM’s [Termination Form](#).

Adjuster licensing status is subject to change on a daily basis. You may check an adjuster licensing status at any time on the ICM website at www.icm.mb.ca under “[Licence Search](#)”.
