***Emailed to all Insurance AGENTS that did not renew their Manitoba Insurance Licence(s).***

Your Insurance Agent Licence expired end of day on May 31, 2022. Your agency or sponsoring insurance company has been notified of the non-renewal of your licence.

**You are prohibited from transacting any insurance business as of June 1, 2022.**

If you wish to apply for a reinstatement of your licence(s), you must complete the online reinstatement application(s) and follow all information outlined in the [User Guide - to Reinstate a Licence](#).

**Be advised that submission of an application does not permit you to act as an agent. A licence must be issued and you must receive email confirmation from the ICM of your reinstatement prior to acting as an agent.**

***Resident agents only (not including RIA or Hail agents): Failure to reinstate your licence within 12 months of expiration will subject you to educational and licensing requalification.***
