

AGENT Licence Renewal CLOSED

Posted June 1/23 (emailed June 1/23)

Emailed to all Insurance AGENTS that did not renew their Manitoba Insurance Licence(s).

Your Insurance Agent Licence expired end of day on May 31, 2023. Your agency or sponsoring insurance company has been notified of the non-renewal of your licence.

You are prohibited from transacting any insurance business as of June 1, 2023.

If you wish to apply for a reinstatement of your licence(s), you must complete the online reinstatement application(s) and follow all information outlined in the [User Guide - to Reinstate a Licence](#).

Submission of an application does not permit you to act as an agent. A licence must be issued, and you must receive email confirmation from the ICM advising that your licence has been reinstated prior to acting as an agent.

Resident agents only (not including RIA or Hail agents): Failure to reinstate your licence within 12 months of expiration will subject you to educational and licensing requalification.
